

ARBOLEAS HOME WATCH SCHEME

ARBOLEAS HOME WATCH

Introduction

We would like as many households as possible to join to provide the maximum coverage of the area. The scheme is approved and supported by local police and the council. Each household must complete an application form and voluntary donation of five euros. Your donation helps pay for the signs that we put across all of the area, ultraviolet property markers and web site costs. Apart from the security provided by the collaboration within the community, advisory messages are issued periodically to advise members of risks, provide intelligence and appropriate advice. In addition, all coordinators meet twice a year plus the an annual general meeting which is open to all.

We have a web site with lots of advice as well <http://www.arboleashomewatch.com> with links to other sources of information.

There are other two forms – one to register and join the scheme, the second to record the details of persons authorized to access the property in your absence. The information on the joining form is confidential and is known only to your coordinator and the membership secretary. The data is **shared with no one** unless explicit permission is given by yourself.

If you wish to join and then complete and return the joining form with the joining voluntary donation of five euros. Your coordinator should have an ultraviolet marker pen. We recommend that you mark property with your NIE.

- Report anything suspicious to **Arboleas Local Policia Number: 609456679 or Guardia 112**
- Tourists can report complaints in English by dialling [902 102 112](tel:902102112) From 9 a.m to 9 p.m (Monday to Sunday)
